MERC **Middle East Resourcing Center** Business Unit is the department responsible for supporting the operations for the Consulting Line of Service. The department focuses on multiple competencies such as Resourcing, Business Development, Talent Aquisition & Recruitment, Human Capital, Communications, and Central Finance. MERC Consulting team

contributes in the achievements of the consulting line of service by providing the backend support required to deliver high end results to our clients.

Job Summary

A career in Finance, within an Internal team of Consulting Business, will provide you with the opportunity to help PwC in all aspects of our Finance internal function including financial planning and reporting, data analysis, and assisting leadership with overall strategy.

Roles & Responsibilities

As a Manager, you'll work as part of a team of problem solvers, helping to solve complex business issues from strategy to execution. PwC Professional skills and responsibilities for this management level include but are not limited to:

Managing the budgeting and forecasting processes for the ME firm, covering all Business Units (BUs) and the Lines of Service (LOS). Provide Support to the LOS Finance Lead for the smooth running of the entire annual budgeting process, from planning, guidance, execution, challenge and review and leadership sign off.

Responsible for enhancing user experience through better reporting solutions through PBI dashboards, that provides real time and periodic reporting & insights.

Core responsibility is to support the LOS Finance Lead in all aspects of the financial planning process and analysis.

Keep up to date with current trends from the region and from across the world.

Demonstrate teamwork and responsibility with the engagement team members; stay abreast of current business and economic developments relevant to the client's business; and use current technology and tools to enhance the effectiveness of services provided.

Perform monthly review of business performance and provide commentary summary on results.

You will lead and manage a team of consultants, providing direction, mentorship, and feedback to help them develop their skills and achieve their career goals.

Additional Roles & Responsibilities

Skills and Competencies

The candidate will be achievement oriented with the ability to be flexible and adaptive on a daily basis. They will be able to work independently and as part of a team with a fast pace and a high energy that will translate into a high quality output;

Excellent organisational skills, having the ability to prioritise workload whilst being resilient and being able to cope well under pressure and meeting tight deadlines;

Language Skills: Fluent in English. Excellent communication skills (verbal and written)

Educational Qualifications & Certifications

Education: Bachelor's degree or equivalent in accounting or finance; CMA or Chartered Accountant will be preferred.

Years of Experience: 7 years of relevant FP&A experience. Similarly, any experience in the GCC would be beneficial;
