About the job

KEO is a creative enterprise, where innovation is a way of life. We are uniquely resourced with end-to-end services to take clients from inspiration – through conceptualization – to realization of planning, design or project delivery in the built and natural environments. For over 57 years we've led with vision, contributing to many of the world's most ambitious projects, iconic places, remarkable experiences and prosperous communities.

Requirement

Attending to Inspection Requests (IR's) submitted by the contractor and take appropriate action in a timely manner.

Review submitted shop drawings against contract drawings and specifications, local codes and statutory requirements and international best practice.

Report any works carried out by contractor found to not be in accordance with approved drawing and specifications and report to stakeholders for appropriate action.

Monitor quality of works and assess the safety at site including health and environmental issues, ensuring compliance with contractual / QCS specifications and safety and health risk assessments.

Maintain records for daily activities on site including progress photos and ensure they are readily available for inspection as and when required.
