Fittings Manager Jobs In Abu Dhabi | Sundus

Description

We are looking to hire a hard-working and skilled fitter to fabricate, fit, and assemble the structural components of various mechanical systems. The fitter's responsibilities include keeping accurate records of all maintenance work done, repairing malfunctioning mechanical systems, and evening out any rough spots on the fabricated components using grinders, hand files, and scrapers. You should also be able to collaborate with other Fitters on large-scale projects.

Requirements:High school diploma or GED.

Appropriate state certification.

Proven experience working as a fitter.

Sound knowledge of local and state building codes.

The ability to use hand and power tools.

The ability to interpret blueprints for mechanical systems.

The ability to concentrate for extended periods.

Strong analytical and problem-solving skills.

Excellent communication, time management, and organizational skills.#J-18808-Ljbffr
