Company: Linked4HR

Location: Dubai

Category: healthcare-practitioners-and-technical

One of our prestigious clients is looking to hire **Food Runner** in the **Restaurant Industry** who will be responsible for but not limited to:

### Job Summary:

As a Food Runner, your primary responsibility is the swift and accurate delivery of orders from the assigned pass section to guest tables. Working in collaboration with servers, you contribute to creating a positive dining experience through efficient service and meticulous attention to guest needs.

### Responsibilities:

Deliver orders and other requests to guest tables promptly and accurately.

Assist and support servers on the floor when required.

Handle the assigned pass section, ensuring the accurate delivery of orders.

Support servers by setting up and replenishing condiment stands, trash containers, and bus stations.

Assist in setting up tables with appropriate tableware, utensils, decorations, and other necessities.

Clean and set up tables efficiently to receive new guests according to established standards.

Maintain table settings by removing completed courses, replenishing utensils, and refilling water glasses.

Provide knowledgeable, friendly, professional, and efficient customer service to ensure maximum guest satisfaction.

Understand and anticipate customer needs, consistently checking for any additional requirements.

Demonstrate in-depth knowledge of all menu items to describe and recommend products to guests.

Ensure minimum wastage, breakage, and spoilage.

Maintain knowledge of policies and procedures, following health and safety practices at all times.

Carry out additional tasks as instructed by the management.

### **Requirements:**

Prior experience in a similar role in the hospitality or F&B field.

Excellent communication and organizational skills.

Strong customer service and guest relations skills.

Pleasant and professional personality, demonstrating the ability to work under pressure.

### **Education and Training:**

Previous experience in a similar role in Hospitality or F&B.

### **Physical Requirements:**

Ability to move swiftly and efficiently in a fast-paced environment.

Comfortable standing for extended periods.

Ability to lift and carry trays or items as needed.

This position requires a dynamic individual with experience in the field, excellent communication skills, and a commitment to providing outstanding customer service in a fast-paced dining environment.
