Company: Sisco Jobs

Location: Dubai

Category: healthcare-practitioners-and-technical

Job Title: Foreman

Location: United Arab Emirates

Salary Range: 3,000 - 3,500 AED

Job Type: Full-Time

Overview:

We are seeking a highly skilled and experienced Foreman to oversee and direct construction projects from conception to completion. The successful candidate will coordinate the efforts of various workers, ensuring that their work complies with building codes, laws, and regulations, and is completed on time and within budget. This role demands leadership, in-depth knowledge of the construction industry, and the ability to solve problems swiftly and efficiently.
