About the job

We are seeking a dynamic and experienced Foundation stage leader, who is or who aspires to be, an outstanding practitioner in the classroom. We want a teacher who is willing and adept at personalising learning for every student; who believes passionately in the education of the whole child and therefore fully embraces the GEMS core values that characterise our school. You will be required to fully contribute to, and lead where appropriate, our extensive extra-curricular programme.

Requirement

Trusted for over 60 years and now a third generation education family, GEMS Education began in a single school room in Dubai. Today, we have the privilege of educating over 170,000 students from over 176 countries through GEMS owned and managed schools globally; over 270,000 students access resources through our services division.
