## GALLEY PLANNING OFFICER

[Apply Now](#)

Company: Emirates

Location: Dubai

Category: healthcare-practitioners-and-technical

### Job Purpose

Produce and publish detailed and accurate Galley Packing & Stowage Plans/Specifications to all Emirates inflight service providers to enable them to pack & load Emirates flights to the defined standards. Job Outline: - Responsible for planning, preparing & publishing detailed and accurate Galley Packing & Stowage Plans (GP&SP) in a timely manner.- Determine and finalise the contents and allocation of each packing/loading unit. Collaborate with the Design Cell, Culinary Team, Operations team & Caterers to ensure it is done in a safe, efficient and ergonomic manner.- Produce Galley Packing & Loading Plans with a focus on galley weights & enabling efficient operational handling. Collaborate with the Operations team to plan the uplift and exchange of Loading Units at locations on the network to achieve the best cost position for Emirates.- Review, update and publish GP&SP's regularly to ensure service providers have detailed and accurate information to assemble, track and trace flight packing during the operational process. Highlight changes for ease of use.- Produce packing and loading instructions for containers, carts and galley diagrams for all flights, aircraft types and configurations, to reduce complexity for equipment logistics and achieve optimal balancing of equipment flows between catering stations.- Prepare, maintain and publish uplift specifications to service providers across the network to enable them to pack, load and prepare each Emirates flight departure to the defined standards.- Carry out fit checks & assessments of new products being planned for introduction and provide detailed feedback to the Design Cell on suitability of product and impact on operations.- Carry out regular audits on flights departing & arriving into Dubai to determine caterer's compliance to galley plans,

communicate findings to the caterers to address non-compliance and identify improvement opportunities.- Review Crew feedback identifying trends and take corrective action by implementing changes to GP&SP to drive improvements to operational KPIS?s
