Description:

We are looking to hire a General Surgeon with specialist medical and surgical knowledge, and excellent decision-making skills. General Surgeons are expected to be emotionally resilient with the ability to communicate effectively and the physical stamina to cope with the demands of performing surgery. The hospital is located in Sharjah and we also have vacancies for the Ajman branch.

Responsibilities:Review patient medical history and plan the best procedure for treatment.

Evaluate and advise patients on the risk involved with having surgery.

Perform surgical procedures to prevent or correct injury, disease, deformities, and patient function while adhering to regulatory and ethical protocols.

Follow established surgical techniques during surgery.Requirements:Degree in Medicine(essential).

Current state medical license where you are currently working(essential).

3 years of experience practicing as a General Surgeon.

Fantastic manual dexterity, hand-eye coordination, and visuospatial awareness.

Excellent decision-making skills and communication.

Ability to work under pressure in a fast-paced environment.

Great management and leadership skills.#J-18808-Ljbffr
