General Technician

[Apply Now](#)

Company: Hilton

Location: Dubai

Category: healthcare-practitioners-and-technical

A General Electrician is responsible for inspecting, diagnosing, maintaining and repairing electrical equipment to deliver an excellent Guest and Member experience.

What will I be doing

As a General Electrician, you are responsible for inspecting, diagnosing, maintaining and repairing electrical equipment to deliver an excellent Guest and Member experience. A General Electrician will also be required to ensure work is done to code and provide assistance during emergencies. Specifically, you will be responsible for performing the following tasks to the highest standards:

Assemble, install, test, and maintain electrical equipment

Diagnose malfunctioning systems to locate the cause of a breakdown and correct the problem

Inspect electrical equipment to ensure coding compliance

Advise management on whether continued operation of equipment could be hazardous

Repair or replace wiring, equipment, and fixtures using hand tools and power tools

Provide assistance during emergencies by operating floodlights and generators, placing

flares, and driving needed vehicles

Ensure quality inspections are carried out in line with company standards

Ensure good relationships are built with internal and external customers

Perform special projects and other responsibilities as assigned

What are we looking for

A General Electrician serving Hilton brands is always working on behalf of our Guests and working with other Team Members. To successfully fill this role, you should maintain the attitude, behaviours, skills, and values that follow:

Knowledge and experience of electrical equipment

Positive attitude

Good communication skills

Committed to delivering a high level of customer service

Excellent grooming standards

Qualification in electrical field

It would be advantageous in this position for you to demonstrate the following capabilities and distinctions:

Flexibility to respond to a range of different work situations

Ability to work under pressure

Ability to work on their own

Previous experience in a similar role
