**FUNCTION DESCRIPTION** There is an exciting maritime and offshore project in the UAE that needs several different specialists, both on and offshore. Using innovative technology, you will be contributing to the artificial island construction. This project requires experience with land reclamation, dredging, marine construction, and rock works.  
**REQUIREMENTS** • 3+ years of experience in a similar position, preferably on a large project • Experience in dredging, marine construction, or reclamation projects • ADNOC experience is an advantage • Availability to work offshore and willing to travel to the project's location in the UAE • Eligible for the CICPA and Optima card  
Since 1988, iPS became known especially for crewing service for vessels. Soon afterwards, iPS became a major player in the maritime world. There are still clients who see iPS as a crewing specialist for dredgers. Fact is that we are now also filling permanent management positions in v... View more
