Grad Opportunity | Amazon Dubai

Amazon is guided by four principles: customer obsession rather than competitor focus, passion for invention, commitment to operational excellence, and long-term thinking. We are driven by the excitement of building technologies, inventing products, and providing services that change lives. We embrace new ways of doing things, make decisions quickly, and are not afraid to fail. We have the scope and capabilities of a large company, and the spirit and heart of a small one.

We're expanding our team within Amazon Operations! At Amazon, we are working to be the most customer-centric company on Earth. To get there, we look for exceptionally talented, and bright people to help us towards that vision. If you're interested in joining a business where you can have fun, achieve amazing results and put smiles on people's faces, this could be the role for you.

Grad Opportunity | Amazon Dubai | Apply Now

Good working knowledge of MS Office, MS Outlook; MS Excel proficiency is an advantage.

Ability to analyze and identify patterns in large data sets.
