Company: NMC Hospital

Location: abu dhabi

Category: other-general

Job Description:

The role will spearhead the strategic development and execution of Radiology services across the NMC Group in UAE, Oman, and Qatar. The role demands a proactive approach to centralization and standardization of radiology services across the group to enhance efficiency, reduce cost, and ensure the uniform delivery of radiology services across NMC's network of hospitals and clinics. This role is instrumental in aligning radiology services with the broader clinical goals, focusing on clinical outcomes, patient experiences, and turnaround times. The radiology services should support the NMC vision of integrated care and thrive to provide services throughout the continuum of care.#J-18808-Ljbfrr
