Growth Maestro | Development Director | Careers at myqubator™ You Drive Success Go Ahead, Qualify Growth Maestro | Development Director Partnership pioneer: Uniting visions and ventures. Apply now cITYDubai, UAE Category Executive Job Level Senior Employment Type Full time Job description As the Growth Maestro at myqubator, you will be a key member of the management team responsible for driving the growth and development initiatives of the incubator and its startups. Your primary role is to design and implement strategies that accelerate the growth of the startups and nurture a thriving entrepreneurial ecosystem within the incubator. Your leadership and expertise will be instrumental in helping startups achieve their goals and maximize their potential. Job responsibilities 1. Growth Strategy: Develop and execute growth strategies for the startups within the incubator, identifying key areas for expansion and fostering sustainable growth. 2. Business Development: Cultivate partnerships and strategic alliances with external organizations, investors, and industry experts to support the growth of startups and the incubator as a whole. 3. Mentorship and Guidance: Provide mentorship and guidance to startups, offering insights and best practices to enhance their business models and strategies. 4. Performance Analysis: Analyze the performance of startups, identifying growth opportunities, and implementing measures to overcome challenges. 5. Fundraising Support: Collaborate with the Connection Catalyst | Investor Relations to support startups in fundraising efforts and securing funding for their ventures. 6. Resource Allocation: Collaborate with the management team to allocate resources effectively, ensuring startups receive the necessary support for their growth initiatives. 7. Community Building: Foster a collaborative and supportive community within

the incubator, encouraging co-working and peer-to-peer knowledge sharing among startups.8. Industry Research: Stay updated on industry trends, market developments, and best practices in entrepreneurship and business development.

**Job requirements**

1. Education: Bachelor's degree in Business Administration, Economics, Marketing, or a related field. Advanced degrees or certifications in entrepreneurship or business development are advantageous.
2. Experience: Proven experience in business development, entrepreneurship, or startup ecosystem management, with a track record of fostering growth and success.
3. Strategic Thinking: Strong strategic planning skills to design and implement growth initiatives aligned with the incubator's mission and vision.
4. Leadership Abilities: Demonstrated leadership skills to inspire and guide startup founders and foster a collaborative environment within the incubator.
5. Networking and Relationship Building: Excellent networking and relationship-building skills to connect with relevant stakeholders, investors, and industry experts.
6. Analytical Skills: Ability to analyze data, market trends, and business metrics to make informed decisions and recommendations.
7. Communication Skills: Effective communication and presentation skills to convey growth strategies and insights to stakeholders and startups.
8. Entrepreneurial Mindset: Understanding of the challenges and opportunities faced by startups, along with an entrepreneurial spirit to support their development.

As the Growth Maestro, you will have a significant impact on the growth and success of startups within myqubator, fostering a collaborative and supportive community that promotes co-working and knowledge sharing. Your leadership and strategic vision will play a pivotal role in shaping the incubator's growth and overall contribution to the entrepreneurial ecosystem.
