Head de Execução Jobs In Ajman | EMC Amazon Middle East ·

Description

We are searching for a well-organized, detail-orientated department head to join our excellent organization. The department head's responsibilities include, but are not limited to, analyzing existing operations and drawing up improvement plans, providing training to new and existing staff, assisting with recruitment and onboarding, drawing up budgets, liaising with clients and other professionals, scheduling meetings, networking with relevant stakeholders, and identifying opportunities for growth. You should be able to engage with a wide range of professionals.

Requirements:

High school diploma.

Relevant degrees, certificates, and licenses may be required.

A driver's license.

Excellent verbal, written, and telephonic communication.

Great public speaking skills.

Superb interpersonal skills.

A positive attitude and professional manner.

A growth mindset.

Strong networking and management abilities.
