

## Head of Communications, PA & Sustainability

[Apply Now](#)

Company: talabat

Location: Dubai

Category: healthcare-practitioners-and-technical

### Role Summary

The talabat Communications, Public Affairs and Corporate Responsibility team has an exciting opportunity for a creative, passionate, and savvy Communications/ Public Affairs/ Corporate sustainability.

As a Head of Communications, PA & Sustainability for UAE this role will play a key role in the way we shape, create and develop our Communications, PA & CR efforts in UAE, both at a local level, working closely with the Regional Communications, PA & CR team as well as the local UAE Team, reporting directly into the Managing Director.

### What's On Your Plate

Develop and execute local Communications, PA & CR strategies and plans in conjunction with the regional team.

Identifying and leveraging newsworthy opportunities for positive media coverage for our company - editorial and pictorial as well as corporate and consumer.- on an ongoing basis.

Understanding the significant role that public affairs plays in our ecosystem, and developing and implementing a local strategy with the help of the wider regional and

local team.

Working with the regional corporate responsibility team to really drive, develop and execute on local community initiatives in the UAE.

## What Did We Order

Minimum 7+ years of experience in either Communications and/or Public Affairs, with exposure to Communications and/or Public Affairs and Corporate Responsibility.

Ideally having both agency experience and/or dynamic in-house exposure.

Qualifications and or Experience in Journalism, Public Affairs or Communications, with working knowledge of Corporate Responsibility.

Must be bilingual: English and Arabic.

Results driven - proven track-record of impactful Communications/PA/CR campaigns.

Creativity and stamina! Happy to be hands-on in idea creation, passionate about ideas, words, and great in execution.
