Head of Fleet Jobs in Dubai United Arab Emirates 2023 | Nathan & Nathan

Responsibilities:

Our client is a Dubai-based international container shipping company specializing in transporting cargo. The company operates between the Far East, Middle East, Black Sea, and Indian subcontinent. They are looking for Head of fleet who will be responsible for building and managing the complete fleet of vessels (owned and chartered) as well as the container fleet (owned and leased). As member of the C-level team develop and execute the strategy of the company to achieve the targets set by the shareholders. Will have full responsibility and ownership to build a state-of-the-art operational and technical team across multiple locations.
