Head of Science Jobs In Dubai 2023 | Edarabia

description

Science teachers help middle and high school learners understand scientific phenomena. They create engaging lessons, explain complex concepts simply, and enrich classroom time by using experiments. Science Teachers encourage students to be curious and to have respect for the natural world.

Responsibilities

Head of Science, you will manage responsibilities in the following domains for your department: Collaborate with Delta IQ – Curriculum Engineering team to build curriculum maps, course syllabuses and CSOs (Content Standards and Objectives) for personalized learning experiences.

Aggressively grow the school's digital repository of STEAM-based Science lessons (for Grade Level 01-10), which must be innovative, current, broad, balanced, coherent, standards-based, and differentiated in nature.

Partner with ICT Leads to create digital Science learning resources. #J-18808-Ljbffr
