### Health & Safety Officer Jobs In Sharjah | LEAMS Education

#### About the job

Developing regulations, policies, standards, and guidelines to improve health and safety procedures for the school related to the safety and security of students, people, and property.

Monitoring the implementation of these procedures.

Training relevant staff on best practices and Dubai Municipality (DM) & KHDA requirements.

Conducting all necessary training for students and staff.

Managing the designated isolation room on the school premises.

Provide guidelines on the daily and continuous cleaning and sanitization requirements for school premises.

Adhering to DHA regulations.

Undertake fire safety audits, and coordinates with the Civil Defense during inspections and other fire & safety issues.

#### Requirement

Managing all emergency situations abiding by H&S protocols.

Updating contact and emergency numbers for staff and students.

Scheduling stakeholders' meetings to address the priorities and result-oriented solutions.

Coordinating with the operations/maintenance team to ensure that H&S safety protocols are

strictly followed.

Stop any unsafe acts or processes that seem dangerous or unhealthy.

Record and investigate incidents; conduct a risk analysis.

Prepare reports on occurrences and provide statistical information to the school management
