Our Utility Cleaners play an important role in support of a number of vital hotel functions. At our hotels these associates may work across departments (e.g., kitchen, food and beverage, laundry) to support cleaning needs. Whether preparing fresh clean linen and spotless dining ware for guests to enjoy, operating and maintaining cleaning equipment and tools (e.g., dish washing machines, hand wash stations, linen washers and dryers), or transporting dishware or linens across the hotel, these associates do whatever it takes to get the job done.
