Description:

To lead and manage the nursing team in the provision of patient-centric and evidence based

nursing care, operational efficiency and positive patient experiences.

Job Responsibilities:

Provide strong leadership and management guidance to the team

Ensure evidenced based patient care practices are followed as per clinical standards

Ensure a positive patient care experience by developing employees and creating an environment for team engagement

Manage allocated clinical and non-clinical resources in a cost effective and efficient manner to enhance safe patient care

Job Requirements:

Bachelor's Degree in Nursing from a recognised/accredited Nursing Institute

At least 5 years' nursing experience, preferably in a homecare setting

#J-18808-Ljbffr
