HRBP – Digital and Technology Jobs in Dubai | Al Futtaim Careers

1- HRBP – Digital and Technology

Job: Full Time

Location: Dubai, UAE

Description:

We are seeking a highly capable and motivated HRBP – Digital for our corporate services to advise senior line management on all human capital management matters with a strategic understanding of the business strategy, priorities and operating model to ensure the right people capabilities are in place to deliver optimum business performance.

Job Responsibilities:

Ensure that HR plays a central role in the development of an organisation structure designed to support the acceleration of the digital transformation across the Group
Develop and implement HR processes that support high performance in the agile operating model and transform organisational norms and values to enable the digital agenda, leveraging the COEs

Participate in OD interventions at the organisational, team and individual level

Be the change management champion through partnering with the business to build resilience and transform the organisation to a high performing workplace and align with the Digital agenda.

Job Requirements:

5 to 7 years HR Experience preferably in the capacity of an HRBP, working in a dynamic best practice operating model for large multinational organisations

A professional qualification in Human Resources or Business Management, or a First Degree
Knowledge of HR best practices, HR policies and HR industry trends
