### HSE Engineer Jobs In Abu Dhabi | KEO International Consultants

#### About the job

KEO is a creative enterprise, where innovation is a way of life. We are uniquely resourced with end-to-end services to take clients from inspiration – through conceptualization – to realization of planning, design or project delivery in the built and natural environments. For over 57 years we've led with vision, contributing to many of the world's most ambitious projects, iconic places, remarkable experiences and prosperous communities.

#### Requirement

Monitor and enforce standards of safety in compliance with KEO's Health and Safety Management System and Client requirements.

Performing facility inspections and report on condition affecting daily operations

Monitoring and tracking all facility-related activities.

Providing FM technical support to the maintenance teams.

Review and inspect work areas determining potential occurrence of safety hazards.

Observe and ensure staff on site always; wear personal protective equipment, use hard hats and protective footwear, operate construction equipment in a safe manner and follow KEO's safety policies.

Conduct daily inspections of the projects to ensure compliance and where applicable make recommendations for change.

In case of emergency determine and investigate the cause of the accident, establish a report and provide recommendation(s) to prevent future occurrences.
