Human Capital Project Manager Jobs In Abu Dhabi | G42

About the job

Presight is seeking a dynamic and socially responsible Human Capital Project Manager to bolster our HR strategy. The ideal candidate will facilitate the evolution and enhancement of our human capital by anticipating, pinpointing, and resolving organizational dynamics in alignment with business objectives. As a crucial enabler within our HR team, your people-oriented approach will shape our human resources strategy and drive Presight's continued growth.

Requirement

Support Business Partners in the implementation of human resource decisions and strategies.

Assist in the design and implementation of organization design, strategic workforce planning, and performance management.

Support the execution of Human Capital activities including engagement initiatives, talent management journeys and learning & development programs.

Assist in designing and delivering change, engagement, culture, and transformation programs.
