### Description

Chemistry Teacher | Teacher of Chemistry | IB Chemistry Teacher

My client is a leading national school delivering the USA Common Core and IB Curriculum mainly Emirati students. The school is one of the largest group of national schools in the region.

The school was established in 2002 and has since grown to serve a growing Emirati population of students. Teacher recruited come from various western nationalities that have experience in the IB and USA Common Core Curriculum.

As a teacher of Chemistry, you will be required to prepare and create your own lab material. Other teaching job duties will include:

- \*\*Delivering high-quality science lessons to students
- \*\*Preparing lessons plans that allow the students to engage and ask questions
- \*\*Create attractive wall displays to promote the learning of Science
- \*\*Assess students on an on-going basis
- \*\*Differentiating to meet the needs of your learners
- \*\*Have excellent classroom management skills
- \*\*Be a team player
- \*\*Attend lunchtime duty

- \*\*Be involved in after-school clubs
- \*\*Attend staff briefing
- \*\*Attend Parent's evening
- \*\*Ensure you are up to date with you marking and assessment
- \*\*Help students after school with coursework and exams
- \*\*Attend CPD sessions

The school is located about 30 minutes from the center of Abu Dhabi, in a growing residential area. Teacher accommodation is close by although the school does provide transportation for its staff.
