Description:

As an Income Auditor, you will be in-charge of documenting the company's revenues, tracking monetary funds, reconciling the balance sheet with receipts and preparing income statements. You shall be very keen in working with both colleagues and guests.

Job Responsibilities:

Audit all revenue transactions for consistency, and methods used to meet hotel's standards and local policies and procedures. Examine all the transactions for accuracy.

Audit all outlet reports and tally them with Opera for accuracy. Check that discounts are allowed (S&P).

Control and reconcile the daily sales in the outlets.

Audit F&B and all other hotel revenue generated and ensure the accuracy. Audit the credit card transactions for accuracy. Ensure the POS details summary reports agree with Opera.

Job Requirements:

Prior experience in the same position is a must

Strong interpersonal and problem solving abilities

Fluency in English; additional languages are a plus
