## Income Auditor

[Apply Now](#)

Company: Marriott International, Inc

Location: sharjah

Category: other-general

Working with companies and government agencies to research and solve problems and develop policies and procedures that comply with current legislation. Analyzing, evaluating, developing, and implementing new control systems that optimize operations or utilize new technologies. Recording, reviewing, and interpreting data to determine the effectiveness of operations. Researching discrepancies, operational problems, or other issues. Examining records, reports, receipts, or other documents and comparing them to company assets and liabilities. Bringing company strengths and weaknesses to the attention of management and providing advice as they develop responses or fixes for these issues. Generating reports and presenting findings to management or other interested parties. Maintaining awareness of current industry trends, technology, and developments. Handling additional duties and special projects to ensure the business is operating efficiently and in compliance with all current regulations.
