## Interior Architect

**Working with the Business Group Manager for Design and Planning, the Middle East office is looking for an Interior Designer with a background in the design of commercial office fit-out, retail, and hospitality design to lead and grow our interior design capability.**

### **Job Summary:**

The Interior Designer will be responsible for leading the design of interior spaces, from conceptual development to project installation. The Senior Interior Designer will work closely with clients, project managers, and other design professionals to create innovative and functional interior designs that meet project requirements and exceed client expectations.

### **Key Responsibilities:**

Design the interior spaces, from conceptual development to IFC.

Collaborate with clients, project managers, and other design professionals to understand project requirements and develop design solutions that meet project goals and exceed client expectations

Develop Concept, Schematic, Detailed design, Tender, IFC drawings, specifications, and other project documentation

Create and present design concepts, mood boards, and other visual representations to clients and other stakeholders

Manage project schedules and budgets, ensuring projects are completed on time and within budget

Coordinate with contractors, suppliers, and other project partners to ensure successful project delivery

Mentor and train junior designers, providing guidance and support as needed

Keep up-to-date with the latest interior design trends and technologies, and incorporate them into project designs as appropriate

Ensure compliance with all relevant codes, regulations, and standards for interior design projects

**Requirements:**

Bachelor's degree in Interior Design or related field

Minimum of 8 years of experience in interior design.

Strong design, solid technical knowledge, effective project organisation skills and an intelligent client management approach.

Strong communication and interpersonal skills, with the ability to work collaboratively with clients, team members, and other stakeholders

Experience managing and mentoring junior designers

Knowledge of building codes, regulations, and standards for interior design projects

Ability to work independently and as part of a team

Willingness to continuously learn and improve skills

The role will require ownership of the design process from inception to completion taking the client from initial briefing stage through concept and scheme design and documentation.

As a multidisciplinary organisation, the role will include design coordination with all disciplines and subconsultants.

Proficiency in Revit, AutoCAD, InDesign, Photoshop and Sketchup will be required to deliver fast track projects and detail a project to tight deadlines. You must be able to attend client-facing site meetings and have a level of construction knowledge liaise with construction teams and deliver fantastic construction quality.

If you are a highly motivated and experienced interior designer with a passion for leading teams and delivering high-quality interior design projects, we encourage you to apply for this exciting opportunity.

### **Our commitment to you**

Fostering gender balance, diversity and acceptance of flexible working is central to the way GHD does business. We offer a professional, friendly and inclusive culture based on our core values of Safety, Teamwork, Respect and Integrity.

In addition to a competitive salary, GHD provides attractive career options including professional development via our GHD Business School, additional leave, and family-friendly flexible work arrangements.

### **Why GHD?**

Be a part of a high functioning team, where everything we do is inspired by a level of passion and professional pride that comes from being employee owned. This ownership is what sets us apart and means our people enjoy an unrivalled amount of autonomy in their roles. It helps drive our passion and accountability in how we serve our clients, deliver projects, and pursue new opportunities.

**So, do you have what it takes: passion, collaboration, imagination and values that match our own?**

### **About GHD**

As one of the world's leading professional services companies, GHD delivers iconic projects that shape our landscapes, support our communities and set the path of our collective future. To do this, we actively seek and nurture the very best people in their respective fields to join our team of over 10,000 professionals operating in the markets of water, energy and resources, environment, property and buildings, and transportation.
