Deputy Manager - Interior Design

Location: Abu Dhabi, United Arab Emirates

Company: Leading Developer in the UAE

A prominent residential developer dedicated to crafting exceptional living spaces that embody luxury, comfort, and innovation in the United Arab Emirates is looking for a Interior Designer Deputy Manager.

As the Interior Design Deputy Manager of large scale residential projects, you will be instrumental in shaping the aesthetic and functional aspects of new homes. Working closely with the Interior Design Manager, you will lead the execution of interior design concepts that elevate our residential developments and exceed the expectations of clients.

Responsibilities:

- 1 . Residential Project Leadership: Lead and oversee the interior design aspects of residential projects, ensuring that designs align with the vision of creating luxurious and livable spaces.
- 2 . Collaboration with Architectural Teams: Work collaboratively with architects and other project stakeholders to seamlessly integrate interior design concepts into the overall architectural vision of residential developments.
- 3 . Client-Centric Approach: Engage with clients to understand their lifestyle preferences, needs, and aspirations, translating them into design concepts that reflect a deep understanding of residential living.

- 4 . Material Selection: Source and select materials, finishes, and furnishings that enhance the residential experience, balancing aesthetics, functionality, and durability.
- 5 . Detail-Oriented Design Development: Contribute to the development of detailed design specifications, ensuring that the design intent is carried through to the construction phase.
- 6 . Quality Assurance: Implement rigorous quality control measures to uphold the highest standards of design and craftsmanship in our residential projects.
- 7 . Market Trends Awareness: Stay updated on current residential design trends, innovative technologies, and sustainable practices to infuse cutting-edge elements into our developments.

Qualifications:

- 1 . Bachelor's degree in Interior Design, Architecture, or a related field. Master's degree is a plus.
- 2 . Minimum of 6 years of experience in residential interior design, with at least 1 year in a managerial or deputy managerial role.
- 3 . Proven track record of successfully delivering high-quality interior design solutions for residential projects.
- 4 . Familiarity with local building codes, regulations, and industry standards related to residential development in the UAE.
- 5 . Excellent project management and organizational skills.
- 6 . Strong communication and interpersonal skills.
