

Intern Health Safety

[Apply Now](#)

Company: Covanta

Location: dubai

Category: other-general

What You'll Do: Own one or more H&S project over the course of your summer internship that will drive improvement with site safety

Be a part of our Midwest H&S team made up of 12 individuals, providing recommendations for improvements with site safety by developing programs through data analysis, team discussions, and site visits

Learn the business and get exposure to the work we do
Who You Are: Current student pursuing your Master's in Environment, Health, and Safety, Industrial Hygiene, or related field
Positive, motivated self-starter who can take an assignment and run with it

Strong communicator who can work in teams and build good relationships with a high degree of personal integrity and work ethic

A leader as shown through your school/community involvement

Willing to work onsite in Chicago's West Loop, as well as periodic travel to sites in the region over the course of the program

About Covanta's Internship Program: During your internship, you can expect to: Work closely with the Midwest Region H&S Leader and have access to our Midwest Region President, all in our West Loop Chicago Office

Gain valuable experience in H&S

Connect with our Morristown, NJ Corporate H&S team

Participate in leadership talks, skill building workshops, facility tours, and networking events with fellow interns#J-18808-Ljbffr
