Our Recruiters build and optimize client relationships through excellence in recruitment process delivery including sourcing, screening, and assessing candidates, while helping guide our clients through the recruitment process.

As a Recruiter you will focus on being a true business partner, providing high-touch relationship management, customer focus and responsiveness in both client and candidate facing activities. You will consultatively manage the end-to-end recruitment process and will become a trusted advisor on recruitment related activities. You will also be the subject matter expert around applicant tracking systems, candidate sourcing methodologies and recruitment process effectiveness.

Key Accountabilities

Manage the full cycle recruitment process from initial role briefing through to offer stage

Utilize all available direct sourcing tools and technology to ensure a quality candidate shortlist/pipeline

Ongoing communication with hiring managers to identify needs and evaluate alternative recruiting solutions

Continually seek opportunities to increase customer satisfaction, driving continuous

improvement initiatives

Provide consultation to Hiring Managers regarding market conditions, candidate availability, salary benchmarks

Skills & Experience

Experience in a full cycle recruitment role, from direct sourcing, screening, assessing/ interviewing, and offering candidates, either in an in-house, agency or RPO environment

Excellent stakeholder management skills and the ability to build strong relationships at different levels within an organization

Experience recruiting internationally

Strong organization skills, and the ability to delegate, where applicable, certain aspects of the recruitment process i.e., interview scheduling and sourcing

Demonstrated interest and ability to work in a fast-paced service environment

Expert in sourcing, screening, interviewing, and hiring techniques

Effective communication and listening skills

Experience and ability to navigate ambiguity and prioritize different needs and plans to accommodate a broad range of stakeholders and responsibilities
