## Investor for USA Startup Jobs In Ajman | Konzortia Capital

### About the job

This must be someone with experience in the industry with the trust of a network of high net-worth individuals that he can bring as investors to meet short-term capital requirements. You personally need to discern that it's a strong potential investment for you.

### Requirement

Konzortia Capital (KC) is a B2B tech Startup founded in late 2020 to reshape private capital transactions from Source to Match to Exit with Artificial Intelligence (AI) and Machine Learning (ML) employed at the core of our work and no 'ChatGPT advertising add-on'. We'll also bring the blockchain to bear to create and capitalize on digital securities through a distributed ledger for settlement and later liquidity.#J-18808-Ljbffr
