Exciting role with a high-profile entity in Dubai.|Must have experience in managing governance frameworks such as ISO,COBIT, ITIL

IT Governance Manager | Michael Page Dubai | Apply Now

Develop, review, and enforce IT policies and procedures to maintain compliance with regulatory requirements and industry standards.

Identify and assess IT-related risks, devising effective strategies for risk mitigation while collaborating with stakeholders for implementation.

Conduct routine internal audits to evaluate compliance with IT governance frameworks and regulatory requirements.

Drive continuous enhancement through analysis of audit outcomes, implementing strategies to optimise IT governance processes and ensure compliance metrics are met.

Prepare and present regular reports to senior management on the status of IT governance, including compliance metrics, audit findings, and improvement initiatives.

The Successful Applicant

Bachelor's degree in Information Technology, Computer Science, or a related field.

Atleast 4-5 years of experience in IT governance, risk management, and compliance.

The ideal candidate must have experience in implementing and managing IT governance frameworks, specifically ISO 27001, COBIT, and ITIL and experience in conducting IT compliance audits.

The ideal candidate should have experience in managing and leading IT audits, strong understanding of information security principles and best practices.
