We are Yas Holding, a diverse business development and investment group based in Abu Dhabi. Our strategy is to explore, create and realize new investment initiatives in both local and international markets, creating value for both our shareholders and our customers. Yas Holding was established in 2006, and has since launched many investment initiatives which have been transformed into successful, profitable operations in a range of diverse sectors. At YAS Holding, we are looking for people with a commitment to developing themselves and the UAE. We employ talented individuals with endless bright ideas and the resilience and determination to see them turn into reality. Our employment force is composed of a wide variety of talents from all over the world. We recruit professionals from different areas for YAS Holding and our subsidiary companies. For more information, Please visit YAS Holding website <https://www.yasholding.ae/> ITQAN was established in 1984 and is 100% UAE-owned. The word 'ITQAN' can be translated from Arabic as "perform with precision". ITQAN employs over 100 leading international IT professionals who are based in our offices located in Abu Dhabi & Dubai. ITQAN offers state of the art technologies including Portals & Content Management, Imaging, Archiving, Optical Network Solutions, Document Management & Workflow Automation, Health Care Information Systems, Enterprise Resource Planning, Learning & Performance Management, Security Systems, Audiovisual Systems & Infrastructure, ICT Infrastructure, Cyber Security and Customer Relationship Management Solutions. Today, ITQAN is one of the preferred systems integrator and application solutions provider for the major market sectors including Government, Semi-Government, Oil & Gas, Telecommunications, Banking & Finance, and Real Estate. Our Mission: To be the best

advanced technology systems integrator and drive customer loyalty through delivering high quality projects with world class services and resources.
