Description:

We are looking to hire a skilled lead carpenter to provide guidance and supervision to the project team involved in construction projects. The lead carpenter's responsibilities include assigning and explaining tasks to the project team, responding to clients' requests for emergency repairs, and regularly inspecting work done by the project team to ensure that it conforms to certain specifications. You should also be able to help the production manager solve project-related problems.

Responsibilities:Assigning and explaining tasks to the project team.

Communicating with clients in order to determine the time frames within which projects should be completed.

Calculating the amount of labor, time, and materials needed for each project.

Creating and adjusting project schedules accordingly.

Ordering all construction materials needed for projects.Requirements:High school diploma or GED.

General contractor license.

Valid driver's license.

Proven experience in residential remodeling or construction.

Sound knowledge of safety standards and procedures.

The ability to safely operate power tools.#J-18808-Ljbffr
