Description:

As a Frontend Development Intern, you will work closely with the development and consulting teams, where you will be responsible for a range of tasks, including coding, debugging, and collaborating on innovative web solutions. You will have the extraordinary opportunity to learn from experienced professionals who will provide mentorship and guidance throughout the internship. With this internship, you will gain valuable experience in frontend development, web design, and teamwork – all essential skills for a successful career in this field.

Requirements: Assist in the development, testing, and maintenance of web applications using HTML, CSS, and JavaScript

Collaborate with cross-functional teams to gather requirements and design user interfaces

Debug and troubleshoot frontend issues, ensuring optimal performance and user experience

Implement responsive web design principles to ensure applications render well on various devices and screen sizes

Adhere to coding best practices and maintain code quality

Participate in code reviews and contribute to the improvement of development processes

Support the team with general administrative tasks as needed#J-18808-Ljbffr
