Junior Graphics Kernel Engineer – Ubuntu Linux | Canonical Dubai

We deliver open source to the world faster, more securely and more cost effectively than any other company.

Are you passionate about learning new stuff, maybe graphics drivers in the context of the Linux kernel? Or maybe you've mastered a different software development environment and are ready for a new challenge in Linux? Are you looking to work on a great team, where you can apply and grow your knowledge about debian packaging as well as graphics drivers? In this role you will play an integral part in the delivery of Nvidia graphics drivers for our kernels.
