

## Junior Pumps Application Engineer

[Apply Now](#)

Company: Naffco Electromechanical LLC

Location: dubai

Category: other-general

Assist senior engineers in designing and selecting pumps for various applications. Conduct technical analysis and calculations to ensure the pumps meet performance requirements. Prepare and deliver technical presentations to clients and internal teams. Review approved contracts, applicable technical and commercial specifications. Stay updated on industry trends and advancements in pump technology.

Desired Candidate Profile:

Bachelor's degree in mechanical engineering or a related field.

1-2 years of experience in pump applications or a similar role.

Knowledge of pump selection principles and calculations.

Familiarity with pump performance testing and analysis techniques.

Strong problem-solving and analytical skills.
