Lab Technician Jobs In Sharjah | Baker Hughes

Lab Technician – Drilling and Completions Fluids

Do you like working in collaborative teams and solving critical issues?

Would you like to be in a team delivering world class service to our customers?

Join our Drilling and Completions Fluids team!

Our Drilling Fluids business provides intelligent, connected technologies to support, monitor and control drilling processes. We provide innovative solutions across multiple geographies. Providing customers with the excellent solutions needed to reliably and efficiently improve their operations.

Partner with the best

This position delivers detailed lab testing and analytical work to support product and system design, project troubleshooting and performance analysis.

As a Lab Technician – Drilling and Completions Fluids, you will be responsible for:

Applying of scientific research and development in a lab environment

Providing support to incident investigations and RCA

Ensuring that laboratory and lab equipment are clean, maintained and organized

Collaborating with remote teams to share technical knowledge, theories, and actions to provide prompt and successful resolution to inquiries and issues.

Fuel your passion

To be successful in this role you will:

Have a Bachelor's degree in science or Chemical engineering.

Have 2+ years of experience in a test Lab

Have knowledge in drilling fluids design, application and performance

Have Excellent leadership, interpersonal, influencing and planning skills.

Have excellent organizational, analytical, and problem-solving skills.

Have the ability to travel (potential for travel to rig sites, customer facilities, meetings, training, etc.)

Work in a way that works for you

We recognize that everyone is different and that the way in which people want to work and deliver at their best is different for everyone too. In this role, we can offer the following flexible working patterns:

Working flexible hours – flexing the times when you work in the day to help you fit everything in and work when you are the most productive

Working with us

Our people are at the heart of what we do at Baker Hughes. We know we are better when all of our people are developed, engaged and able to bring their whole authentic selves to work. We invest in the health and well-being of our workforce, train and reward talent and develop leaders at all levels to bring out the best in each other.

Working for you

Our inventions have revolutionized energy for over a century. But to keep going forward tomorrow, we know we have to push the boundaries today. We prioritize rewarding those who embrace change with a package that reflects how much we value their input. Join us, and you can expect:

Contemporary work-life balance policies and wellbeing activities

Comprehensive private medical care options

Safety net of life insurance and disability programs

Tailored financial programs

Additional elected or voluntary benefits
