Company: Trust Music Distribution

Location: Sharjah

Category: healthcare-practitioners-and-technical

Company Description

Trust Music Distribution is a leading music technology and services company that specializes in music-focused marketing, publishing administration, synch licensing, neighboring rights, YouTube monetization, and Soundcloud monetization. Founded in 2019 by music producer and digital marketing expert Frank Kwaku Harrison, Trust Music offers a proprietary content management and distribution platform, global royalty collection and split payments, and robust label services to independent labels, managers, and artists. Headquartered in Accra, Nglish Amanfrom, Ghana, Trust Music is proud to be by artists, for artists and has a significant presence in Al Nahda, Dubai, India, and East Africa.

Role Description

This is a full-time remote role as a Label Manager | Content Acquisition Manager. As a Label Manager | Content Acquisition Manager at Trust Music Distribution, you will be responsible for day-to-day tasks related to label management and content acquisition. You will work closely with independent labels, artists, and managers to develop and implement effective strategies for content distribution, marketing, and promotion. This role requires strong communication and negotiation skills, as well as a deep understanding of the music industry and digital platforms.

Qualifications

Proven experience in label management, content acquisition, or a related role in the music industry

Strong knowledge of music distribution platforms, digital marketing strategies, and copyright laws

Excellent communication and negotiation skills

Ability to work effectively in a remote and collaborative environment

Passion for music and a deep understanding of various music genres and trends

Strong organizational and project management skills

Proficiency in data analysis and reporting

Bachelor's degree in music business, marketing, or a related field (or equivalent work experience)

Experience with international music markets and global music distribution is a plus

Fluency in multiple languages is a plus
