Landfill Engineer Jobs In Dubai 2022 | KEO International Consultants

Description:

KEO is a creative enterprise, where innovation is a way of life. We are uniquely resourced with end-to-end services to take clients from inspiration – through conceptualization – to realization of planning, design or project delivery in the built and natural environments. For over 57 years we have led with vision, contributing to many of the world's most ambitious projects, iconic places, remarkable experiences and prosperous communities.

Job Responsibilities:

Developing and preparing design drawings (including 3D modelling), reports, analysis, research and presentations relating to landfill, lagoon, remediation and earthworks in accordance with applicable legislation and local conditions.

Undertaking engineering calculations relating to landfill design (geosynthetics, hydrology, geotechnical stability) and waste management planning (waste generation modelling).

Developing design related tender documentation including BOQ's (bill of quantities), specifications and CQA plan.

Assisting in the preparation and contributing to the content of tenders proposals for the Sustainability and Environment Division and any cross discipline bids for other KEO Divisions.

Job Requirements:

To be successful in this dynamic opportunity, we envision that your career journey to date will include 1 to 5 years' work experience partnered with a Bachelor degree in Civil Engineering.

Specialization in geo-environmental or geotechnical engineering will be a plus.

Experience in landfill, lagoon, waste containment design will be preferred. However, candidates with roads, dams, hydraulics, geotechnical design experiences will be also considered for the role.

Experience in waste management engineering fields and familiarity with international best practice/regulations (such as EU Council Directive, US-EPA, etc.) will be preferred.

Knowledge in Civil 3D and/or availability to develop further certifications (if needed).

KEO's performance is founded upon integrity, results, innovation, safety and our people. We embrace diversity and recognise its' contribution to client success wherever we work.

We are excited to hear how you can partner with our award-winning team and treat all expressions of interest confidentially.
