Landscape Inspector | Stantec Abu Dhabi

The Stantec community unites approximately 28,000 employees working in over 400 locations across six continents. We collaborate across disciplines and industries to bring buildings, energy and resource, environmental, and infrastructure projects to life. Our work—engineering, architecture, interior design, landscape architecture, surveying, environmental sciences, project management, and project economics, from initial project concept and planning through design, construction, and commissioning—begins at the intersection of community, creativity, and client relationships.

At Stantec, we approach every project as a partnership, because our work creates a lasting impact on our clients' communities. We believe that when smart, passionate, creative people come together, real possibilities are within reach.
