Description:Job: We are looking for a lawyer to support our rapidly growing ecommerce business teams. You will have experience advising consumer facing digital platforms in the UAE and KSA and ideally other METAP (Middle East, Turkey, Africa, Pakistan) jurisdictions, with a focus on ecommerce, retail, and online marketplaces.

Responsibilities:Provide advice and guidance on a wide range of operational, regulatory, commercial and product counselling ecommerce matters, with a focus on consumer protection, B2B and B2C engagement, product compliance, advertising, influencer marketing, and intellectual property.

Support the business in understanding and complying with legal and regulatory requirements when launching and operating new products, features, and initiatives in KSA, UAE and the METAP region more broadly.

Contribute to the continuous improvement of TikTok ecommerce initiatives through review of consumer and business facing disclosures, policies, and terms and conditions, and support for feature development.

Review, draft, negotiate, and manage commercial agreements relevant to digital and ecommerce platforms.

Contribute to template development, process improvement and internal training, identifying and resolving opportunities to simplify workflows and reduce contractual

friction.Requirements:Strong academic background, with legal qualifications to practice law in

the US, UK, or another METAP jurisdiction.

1-3 years of practice advising ecommerce or retail companies (preferably within the GCC or Middle East).

We would consider applicants with the right experience and skill-set outside of this range.

Ideally some in-house experience in an international matrixed organisation.

Experience in drafting and negotiation of agreements across the retail, creative, and advertising industries.

Knowledge of laws as they apply to the retail sector, and ecommerce platforms.#J-18808-Ljbbfr
