Company Description

Job Description

Responsibilities and duties

The key functions of the Lifeguard whilst supervising the pool are:

keep a close watch over the pool and the pool users, exercising the appropriate level of control

be able to supervise the pool from the correct Lifeguard positions

remain on Poolside at all times whilst the pool is in use

communicate effectively with pool users and other staff

be alert and be seen to be alert

anticipate problems and prevent accidents

intervene to prevent behaviour which is unsafe

identify emergencies quickly and take appropriate action

effect a rescue from the water

give immediate first aid to any casualty

enforce the pool rules and admissions policy

be punctual

carry out swimmer head counts

conform to the uniform policy, including t-shirt, shorts, and whistle

be fully aware of the contents of the SOP & act accordingly

Communicate with the guests – including creating a friendly atmosphere around and giving guests all the needed information

Give a hand to the colleagues when asked to do so

Be aware of other hotel services and be able to provide information needed or connect to concern department/outlet

Fulfil any needed forms

Lifeguard should give the information about:

operating hours of the swimming pool and recreational facilities

rules and regulations of the swimming pool

whom to contact in case of emergency and queries (Sir/madam, in case you need something, please let me or my colleagues know)

As well as observing the behaviour of the guests lifeguard should identify people with health concerns, different abilities and potentially problematic guests

It is the primary concern of Lifeguard to inform guests about the reasons which keep guests from participating in swimming (ex. Rushes, under the influence of alcohol, etc.)

Whilst supervising the pool, **Lifeguards must not**

take part in prolonged social conversations with staff or customers:

if prolonged, direct customers the Senior Sports Officer or Swimming Pool Coordinator giving due consideration to customer care

at no time should Lifeguards be stood together chatting, unless exchanging information during

changeover

allow their attention to be drawn from the pool

leave poolside or their area of supervision unattended

bring food or drink (except plastic water bottles) on to poolside

Deface any Pool Safety documentation

Requirements

Prior to undertaking duties Lifeguards on Poolside must:

successfully complete a recognised lifeguard qualification (pool only or pool and beach) and produce evidence of this qualification

successfully complete an assessment of lifeguard skills covering lifeguard theory, water skills, first aid and resuscitation

In order to perform the duties set out above Lifeguards **must** maintain the skills and fitness to be able to perform their duties at all times, in particular lifeguards must:

be physically fit, have good vision and hearing, be mentally alert and self-disciplined

be strong, able and confident swimmers

maintain a current, recognised pool lifeguard qualification

Attend and successfully complete each module of the on-going Lifeguard training and competency assessment every month.

Qualifications

Lifeguards working on Poolside must be able to perform the following basic fitness test at any time:

jump or dive into the pool in deep water

swim about 100 metres on their back without stopping

swim 34 metres within 40 seconds

surface dive to the deepest part of the pool

climb out of the pool unaided, without using steps or ladder

Be able to read and speak English

lifeguard certificate
