## Logistics Manager (Project Based)

[Apply Now](#)

Company: Cobalt Abu Dhabi

Location: sharjah

Category: other-general

Our client, a semi government entity, is urgently looking for a Logistics Manager who will be assigned to work for 9 months in their satellite office in Sharjah with the possibility for the role to become permanent position. For this role, you will be primarily responsible for managing all logistic aspects of the company's stores, fleet and equipment (both clinical and non-clinical). You will be responsible for a range of business tasks undertaken to support the smooth and efficient operation of supply chain processes, the role scope covers all current and future company's contracts across the UAE. To be considered, you should be a degree holder in Logistics or Supply Chain with minimum 5 years of experience in the same role. You should be familiar with the whole cycle of Supply Chain / Logistics cycle with exposures in handling medical and non medical materials/equipment. Fluency in English is highly required and knowledge in Arabic is a plus. You should have an understanding of Quality Health Safety and Environment (QHSE) Management System Compliance and Improvement and have participated in QHSE Risk Assessments / Inspections. You should have a valid driving license. Salary package is between AED25,000 to AED35,000

About The Company Cobalt Abu Dhabi is part of a leading international recruitment provider with offices in Europe, Singapore, Australia and New Zealand. Cobalt offers high quality HR consultancy, executive search, contingency recruitment and Emiratization services in Abu Dhabi and the wider MENA Region. It works extensively within the fields of Construction & Engineering, Banking & Finance and HR & Business Support. Contributing to the region's development, we play a key role in identifying and attracting the very best talent to ensure the region's potential is realized. We also understand the importance of Emiratization in ensuring the

long-term success of the UAE economy and have therefore pro-actively developed a strong network of UAE Nationals within our specialist areas.
