We are looking for an experienced Finance manager to be based at our Dubai office to work in conjunction with our Finance department.

### Key Responsibilities

Take overall control of the company's accounting and finance function in Dubai and oversee operations of the finance department, set goals and objectives, and design a framework for these to be met.

Provide financial reports and interpret financial information to management while recommending further courses of action

Monitor and manage Payable processes, key operating expenses, including administrative costs, and also make appropriate recommendations on budget control

Analyze costs, pricing, variable contributions, sales results and the company's actual performance compared to the business plans, conduct reviews and evaluations for cost-reduction opportunities

Manage tax provision and tax compliance process, prepare all tax papers in regular basis and handle all information data requests, Identify and mitigate tax risks

Liaise with auditors and provide auditors with any data or information that they might need as part of their annual auditing procedures

Maintain the overall financial health of the organization.

#### Desired Candidate Experience & Skills

Chartered Accountant / ACCA / CPA with at least 3 years of post-qualification experience into UAE / Saudi

E-commerce experience is an added advantage

Excellent communication skills to enable you to integrate into a large team

Ability to speak Arabic would be an added advantage

#### What we offer

Opportunity to work with very young, dynamic and fastest growing E-com venture in GCC

Competitive salary and bonus

Company employee discounts across all brands

Medical & health insurance + Visa

Collaborative work environment

Great and open work culture
