Meeting with and advising senior executives throughout the consultation process. Determining business needs and identifying weaknesses. Assessing and analyzing business practices and procedures. Compiling and presenting research findings and recommendations. Developing detailed project plans to drive changes and improvements. EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities. EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available on our site. The MENA practice of EY has been operating in the region since 1923. For over 95 years, we have grown to over 7,500 people united across 21 offices and 16 countries, sharing the same values and an unwavering commitment to quality. As an organization, we continue to develop outstanding leaders who deliver exceptional services to our clients and who contribute to our communities. We are proud of our accomplishments over the years, reaffirming our position as the largest and most established professional services organization in the region.
