Manager- Business Consulting Jobs In Abu Dhabi | EY

About the job

At EY, you'll have the chance to build a career as unique as you are, with the global scale, support, inclusive culture, and technology to become the best version of you. And we're counting on your unique voice and perspective to help EY become even better, too. Join us and build an exceptional experience for yourself, and a better working world for all.

Requirement

EY's Financial Services Risk Management (FSRM) practice provides risk management support to banks, insurers, and asset managers. Our team includes individuals who have industry, client, and product knowledge as well as quantitative, regulatory, project management and technology professionals. We are seeking agile individuals to join our team. Along with our team, you'll work together to coordinate the delivery of risk management, regulatory and business performance services to a variety of clients, including commercial banks, investment banks, insurance and other organizations.
