Manager Business Intelligence Jobs in Dubai | Kroll

Job Responsibilities:

Fluency in English and Arabic is essential for this role. Any other language is an asset.

Experience in a reputable professional or financial services firm, or from an investigative/research intensive organisation.

Experience in project managing investigative/research cases and/or investment advisory.

Ability to drive forward and co-ordinate a number of concurrent projects and tasks, managing own time to deliver against competing demands.

6 to 8 years of experience in conducting investigations on various types of inappropriate activities (i.e. corruption, fraud, IP theft, conflict of interest);

Proven quantitative, analytical and problem-solving capabilities

The ability to independently query, analyse and interpret data from a wide variety of information systems

Communication skills that you can adapt to technical and non-technical audiences
