#### Responsibilities

The Real Estate Advisory Group (REAG) within Kroll provides clients with expert advice across a range of property asset classes throughout UAE. We support a variety of client interests, from financing, secured lending, purchase price allocation (merger & acquisition support), to financial reporting, due diligence and property restructuring.

Currently an opportunity exists to join our market leading property restructuring and valuation advisory team, providing advice to lenders, stakeholders and property companies in respect of performing and non-performing real estate across the UAE.

#### Requirement

– Prepare and issue valuation advice across both commercial and residential property, principally for secured lending, in line with RICS Red Book requirements.

- Undertake a peer review of reports prepared by surveyors prior to issue to the client.
- Manage and take an active role in training junior surveyors in the preparation of valuation and property advice.
- Assist the Managing Directors in growing the valuation team, leading, fostering and cultivating new client relationships.
- Managing a team of surveyors in relation to instruction timelines and ensuring deadlines.
- To the extent required, assist in the delivery of LPA receivership and restructuring cases, blending valuation, asset management and transaction management skillsets.
- Undertake advisory assignments with a focus on Options Analysis and value recovery particularly in relation to workout and insolvency scenarios.
