Marine Mammals Specialist Jobs | Atlantis Dubai Careers

Description:

As a Marine Mammal Specialist 3, you will deliver and bring the myth of Atlantis to life using your knowledge and charismatic delivery to ensure our guests have the most unforgettable experience. You will ensure healthy and sanitary living conditions, proper nutrition, and constant care for all our marine mammals. This includes daily maintenance of the facilities and water testing. Day-to-day monitoring and observing behavioral patterns of our animals and reporting any abnormalities or changes in normal animal behaviour, while ensuring that all records are maintained will also form part of your daily routine. Playing a supportive role in dolphin interaction presentations, education and conservation efforts will also be part of this role.

Job Requirements:

Our ideal will have a certificate of Open Water Scuba Certification and an understanding of animal training and animal husbandry principles (curatorial skills) with an emphasis on employee, guest, and animal safety and have completed cross-training in Dolphin Bay. You will also be confident in incorporating concepts, theories, and techniques used to interact with animals through Behavior and Enrichment Management and have excellent communication skills.
